DISTRICT DEPUTY GRAND MASTER MESSAGE

Greetings Brethren,

Some issues require your attention. If you are MM, and have proved up and received your Master Mason Certificate, check to see that the G.L. number which appears on the certificate, has been placed on your lodge membership card. If not, contact your lodge secretary and have this rectified. Note also, that your membership card bear the imprint

of the lodge seal. Be sure to sign your certificate, as well as the membership card in the space provided.

If you intend to visit a lodge where you are not known to the brethren, or if visiting a lodge in another jurisdiction while on holidays or on business, be certain that your membership card is in order. If traveling to the U.S.A. or another country, it would be beneficial to bring along a photo-copy of your MM Certificate as proof that you are indeed a MM. As well, it would be helpful to obtain a Letter of Introduction from the Grand Secretary. This can be done by writing or phoning the Grand Lodge office in Calgary. This letter is valid for 1 year.

Unless you can be vouched for, by one of the brethren in the lodge you have the privilege of visiting, be prepared to be examined by a committee. Before visiting a lodge in the U.S.A., for example, become familiar with the Ancient York Rite ritual. It has more in common with the American Rite ritual, than that of the Canadian Rite which is worked in all of the lodges in Northern Lights District. Realize as well, that most of our American Brethren are not aware that there are several rituals used in Canada which differ from their own, such as the Australian Rite, the Emulation Rite, as well as the Canadian Rite, to name a few. Talk with other brethren who have traveled, to get an idea of what to expect.

Enjoy yourself and have fun. You will find that visiting a lodge in another jurisdiction to be a very rewarding and great learning experience.

Fraternal Best Regards,

Angus Stewart District Deputy Grand Master

NORTHERN EXPOSURE TOUR 2012

*V.W. Brother Kenn Culbertson
District Secretary Northern Lights District*

The Official visit of R.W. Bro. Angus Stewart to Yellowknife Lodge # 162 took place on Saturday January 14th, 2012.

(Photo left to right V.W. Bro. Ken Glazebrook, R.W. Bro Angus Stewart and V.W. Bro. Kenn Culbertson)

On entrance to the lode we were greeted by one of the most impressive and unique Altar cloths, fittingly Northern and truly amazing.

The Polar Bear rug on the altar was generously donated to the Lodge in remembrance of W. Bro. Guenther Laube, Past Master of Yellowknife Lodge 2008 who has passed to the Grand Lodge Above. This was graciously presented to the Lodge by his widow Mrs. Janise Laube. Yet admitted by al who see it, the Polar Bear rug it is a great alter scarf and I know the lodge will treat it with the respect it deserves

Worshipful Master Thom Jarvis was installed as the Master, along with all incoming officers being invested. Installing Master was W. Bro. John Himmelman, a wonderful time of Brotherhood was had by all.

A SILENT SERMON

Unknown

A member of a certain Masonic lodge, who previously had been attending meetings regularly, stopped going. After a few months, the Worshipful Master decided to visit him. It was a chilly evening. The Worshipful Master found the man at home alone, sitting before a blazing fire. Guessing the reason for his Master's visit, the man welcomed him, led him to a comfortable chair near the fireplace and waited. The Worshipful Master made himself at home but said nothing.

In the grave silence he contemplated the dance of the flames around the burning logs. After some minutes, the Worshipful Master took the fire tongs, carefully picked up a bright burning ember and placed it to one side of the hearth all alone. Then he sat back in his chair, still silent. The host watched all of this in quiet contemplation.

As the one lone ember's flame flickered and diminished, there was a momentary glow and then its fire was no more. Soon it was cold and dead.

Not a word had been spoken since the initial greeting. The Worshipful Master glanced at his watch and realized it was time to leave. He slowly stood up, picked up the cold, dead ember and placed it back in the middle of the fire. Immediately it began to glow once more with the light and warmth of the burning coals around it.

As the Worshipful Master reached the door to leave, his host said with a tear running down his cheek, "Thank you so much for your visit and especially for the fiery lesson. I shall be back in lodge next month."

LODGE OF ASSISTANCE

V.W. Bro. Ken Glazebrook, Ivanhoe #142

As we are all aware, some lodges are struggling with putting together degree or installation teams or have issues with last minute replacement. It is felt that there has been a need at a District level to aid in finding someone that can assist when a lodge is unable to find someone themselves.

What we would like to do is generate a list of Brethren who are willing and able to step in to support a lodge with memory work for a degree on short notice (48 hours or more preferably). Ideally, the list of members we put together would not just be able to fill in at their own lodge, but at other lodges as well. There are several strong ritualists in our district terms of its degree work, and I know we can all agree that we should help where we can.

Thank you Brethren for your consideration and please let me know if you would like to be added to the list by sending me an email to nldnews@hotmail.com with the following information: Name, Lodge, Phone Number, Email address and part or parts you would be willing to perform in which degree.

MUSIC IN MASONRY

V. W. Bro. Hu Puffer, Grand Organist

"Music is that elevated science which affects the passions by sound. There are few who have not felt its charms and acknowledged its expressions to be intelligible to the heart. It is a language of delightful sensations, far more eloquent than words; it breathes to the ear the clearest intimations; it touches and gently agitates the agreeable and sublime passions; it wraps us in melancholy, and elevates us to joy; it dissolves and influences, it melts us to tenderness and excites us to war. This science is truly congenial to the nature of man, for by its powerful charms the most discordant passions may be harmonized and brought into perfect unison; but it never sounds with such seraphic harmony as when employed in singing hymns of gratitude to the Creator of the Universe."

From The Freemason's Hymnal, by Waldemar Malmene, 1875, St. Louis Missouri.

The object of all our ceremonies is to make a lasting impression upon every candidate. The eloquence of the most powerful speaker will come with greater force when enlivened by the sound of music. The purpose of this article is to assess our present use of music in our lodges and offer suggestions that could be beneficial in the future.

It is easy to be idealistic when reaching to great heights. However, let us work together to make improvements and positive change. Of approximately 123 lodges in the Grand Jurisdiction of Alberta, there are perhaps only 10 to 15 that are fortunate to have an organist, pianist or piper. Very few others have access to a musician who is a mason to assist them with their regular meetings or degrees.

Are we really without any other means of enlivening our meetings with music? If lodges do not have a piano or organ, are there no other means of enhancing Masonic work? Is it always necessary to have an organist? Do all lodges have to have an organist? What are the alternatives? Can we imagine the Church or Theatre without music? Where would drama and movies be without the inspiration and enhancement of music?

EVERY LODGE CAN INHANCE ITS MEETINGS BY INVOLVING MUSIC

Only a minority of our lodges are fortunate to have access to an organ or piano. However, most lodges have access to a laptop computer or other recording

device. At least one member is capable of using it to reproduce music suitable for lodge meetings.

Could we imagine attending a small lodge where a Grand Master's processional is accompanied by the music of a large organ and trumpeter? Could the inspiring lectures of the three degrees have suitable music to rouse our spirits and compliment the eloquence of these lectures? Could there be accompaniment for Opening and Closing hymns? How about music for perambulation about the lodge? The introduction of music is practical, possible, and within reach.

The world of music and technology has made great advances and there are tremendous possibilities for each lodge to explore. We can learn from the Church, Theater, and even the sports world, the importance of music. Let us move on and take advantage of the very best that technology offers without involving great expense.

Let us consider the opportunities that recorded music offers. There are no limits to the potential that the CD, Memory Stick or MP3 offers. Recorded music is everywhere and it is easily accessible.

However, it is strongly felt that the best musical effects, suitable for our purposes, can be produced by our own musicians and technicians using a large organ, trumpet, flute and other instruments as required. We can complement the powerful lectures, and indelibly impress the candidates and members alike.

HELP IS ON THE WAY

A small group of masons, including musicians, and technicians is beginning production of a series of music kits for use in our lodges. Each kit will include instructions and music on CDs. These will be self-explanatory and easy to use for the following occasions:

1. Regular Business meetings...Opening and Closing Hymns
1. 2. Music to accompany each Degree in both Rites...March and Perambulation music
2. Memorial Services
3. March music, Auld Lang Syne, National Anthem
4. Bag Pipe music
5. Installation of officers

Details regarding production and distribution have yet to be finalized. The Rogers Trillium organ will be used in the production of our Lodge music. Do not hesitate to contact Hu Puffer for further information puffnstuff@shaw.ca.

A new era in music in our lodges is within reach. Let us work together, and make it happen. **MAY YOU HAVE MUSIC BURNING IN YOUR EAR AND THE SPIRIT OF MASONRY BURNING IN YOUR HEART**
